DETAILED ACTION

Claim Rejections - 35 USC § 112

Claims 1-64 are rejected under 35 U.S.C. 112, second paragraph, as failing to set forth the subject matter which applicant(s) regard as their invention.

In claim 1 and elsewhere, the content of a “standardized sales contract” is indefinite in scope.

In the claim 1 and elsewhere, “the input” has no antecedent basis.

In claim 1 and elsewhere, it is not clear what is being agreed upon.

In claim 1 and elsewhere , it is not clear is the identification is being performed.

In claim 3 and elsewhere, the “likely” renders the claims indefinite in scope.

In the claims “market statistics” are indefinite in scope.

In the claims, it is not clear if the payment is being executed electronically.

In the claims, the scope and steps required for constructing a sales contract is indefinite.

The closest prior art is that of Chemdex, from PR Newswire. The reference does not expressly teach of constructing a standardized sales contract in response to input from the buyer and the seller that agreement has been reached.

Claims 1-64 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.
